**Your Local Labour Candidates**

Vote for your **Three Labour Candidates** on Thursday 6<sup>th</sup> May

<b>X</b>	Ram <b>CHANDAR</b>
<b>X</b>	Douglas <b>NEW</b>
<b>X</b>	John <b>SCALLAN</b>

*Sid Garg Parliamentary Candidate with Ram Chandar, Doug New & John Scallan – Labour’s team for Hillingdon East*

**Ram Chandar**

Ram, also known as Richard, is 70 years old, retired & lives with his wife, Maryse. Ram has been actively involved in the community since 1980. He played a leading role in a Resident’s Association & contributed to the promotion of neighbourhood harmony. He has lobbied the authorities to obtain help for young people in the area, as well as general improvements. Ram has raised funds for charity & organised Christmas hampers for the elderly. As a volunteer, Ram was actively involved in the running of a day centre, liaising between the Council, Management, Carers and Clients. If elected, Ram will do his utmost to serve the community to the best of his ability.

**Douglas New**

Doug left school at 15 and became an apprentice in the printing Industry. He served his National Service from 1958 to 1960. He then returned to the printing Industry until 1987. Doug was a member of the National Graphical Association. He works as a cricket grounds man for the RAF now, and has lived in Hillingdon for 38 years. As a local person he has seen the problems residents of Hillingdon are facing. The lack of vision and liaison of the Tory and Lib Dem Councillors with local residents has compelled Doug to put his hat in the ring and with the support of local residents to be one of your next Labour Councillors.

**John Scallan**

John has lived in the Borough for over 40 years. He is committed to his local community. He is a Governor of a nursery, having previously served as Chairman of the Governing Body. John is one of Hillingdon’s representatives on Relate Counselling Services and is on the Board of Trustees. John would like to see improved playing facilities and increase participation in sport amongst the Youth in Hillingdon East; along with wider public use of green spaces, whilst protecting green spaces against encroachment. John would also advocate better bus services and bus connections in the area. If elected as one of your ward Councillors John will endeavour to see that improvements are carried out & would represent the opinions & aspirations of the Hillingdon East community.

# Savage Tory Cuts Hit Your Safety & Your Children's Schools

## Tory Leader Scraps New Schools for Hillingdon

The Leader of Hillingdon Council, Conservative Councillor Puddifoot, addressed an assembly of all the local secondary head teachers to inform them that he was refusing to sign up to the Government's £150 million investment programme (Building Schools for the Future) to modernise and rebuild the secondary schools in Hayes and the south of the borough.

The council leader has stood down virtually all of the expert team of officers that have been engaged for two years in preparing the plans for the investment programme.

Hayes and Harlington MP John McDonnell is furious that the Conservative council has blocked £150 million being invested in schools in his constituency.

Leader of the Labour Group Councillor Mo Khursheed commented "we are all devastated after the unilateral announcement by the Conservative leader of the council."

## The Successful School That The Tories Wanted To Demolish

In the early 1990's the Conservative administration of the council closed the original Barnhill School on the grounds that it was not needed. The parents of the 1400 pupils who now attend the school may beg to differ. When Labour came to power in Hillingdon they immediately started work on plans not only to re-open it but to re-build it with modern state of the art facilities. This investment coupled with the hard work of teachers has created an environment in which pupils can thrive. **This year The School has been officially recognised as the most improved school in London.** This follows its outstanding success in achieving a 92% increase in the number of school students achieving at least 5 GCSE A\*-C grades (inc. English and Maths).

Tories argue that they have changed. But do they really care about the education of our children? In the last few weeks they have decided not to even bother bidding for government money to invest in school facilities across Hillingdon.

**The lesson is simple.**

**Tories see education as a cost.**

**Labour sees it as an investment in all of our children's futures.**

## Tories to Cut Police Safer Neighbourhood Teams

Tory Mayor Boris Jonson and Tory Controlled Hillingdon Council have frozen the council tax.

### **BUT WHAT IS THE REAL COST OF THE FREEZE?**

- *Has there been a cut in the salaries of senior officials & politicians? ... **NO!***
- *Has there been a cut in bureaucracy and red tape? ... **NO!***
- *Has there been a cut in wastage at the Civic Centre? ... **NO!***

**The real cost of this council tax freeze is the sacking of 455 police officers!**

This will save you 14p per week in your council tax.

Overall crime is down in Hillingdon thanks to Labour's investment in the Safer Neighbourhood initiative. However this is no time to be complacent.

Burglaries in Hillingdon are up significantly since Tory Mayor, Boris Johnson, took control of London's Policing

On 6<sup>th</sup> May you will get your chance to tell Boris what you think. Don't expect Hillingdon under the Tories, to stop Boris sacking your police. His chief henchman is none other than Hillingdon Tory Councillor Richard Barnes.

**Only Hillingdon led by Labour will fight tooth and nail to keep our streets and our homes safe.**
